

LOT REQUEST FORM

In the event you would like to move to a different lot, please complete this form and return it to the office. This will assist us this fall and next spring when lots become available. Lot requests are premised upon seniority and/or camper size. We will first look to seniority to determine who has priority in the event two or more campers would like the same lot. However, not all lots are equal in size and certain lots can only accommodate a specific length of camper (slide-outs are also a factor), so please understand we may not always be able to prioritize by seniority.

Please return this form to the office as soon as possible, but not later than October 15th to ensure that we have your lot preference on file for next season. Thank you for your cooperation.
